

Product Discontinuation

Date: April 29, 2020

Announcing: Discontinuation of the Triatek FMS-1650 Room Pressure Controller and the HMS-1650 Fume Hood Controller

From: Building Technologies & Solutions (BT&S)—Specialty Products – Controls – Global Controls Products

Released to: Triatek Sales Representatives

Discontinuation of the Triatek FMS-1650 and HMS-1650 product families

We are discontinuing the FMS-1650 Room Pressure Controller and HMS-1650 Fume Hood Controller product families and replacing them with the FMS-1655 Room Pressure Controller and HMS-1655 Fume Hood Controller family of products. We have been supporting the FMS-1650 and HMS-1650 products since the FMS-1655 and the HMS-1655 products went on the market in 2013. In an effort to streamline our product offerings, we have decided to officially discontinue all products listed in Table 1 and Table 2 immediately. This discontinuation does not affect your ability to receive technical support.

Replacement product information

To learn more about the FMS-1655 and HMS-1655 product families visit the Resource Library at Triatek.com.

Discontinuation schedule

The following table lists the schedule for the FMS-1650 discontinuation. If applicable, the three-year-warranty will be honoured.

Table 1: FMS-1650 Room Pressure Controller discontinuation

Item	Model	Replaced by	Effective date
1	FMS1650-F-0-0	FMS1655-F-0-0	Immediately
2	FMS1650-F-0-1	FMS1655-F-0-1	Immediately
3	FMS1650-F-0-2	FMS1655-F-0-2	Immediately
4	FMS1650-F-0-3	FMS1655-F-0-3	Immediately
5	FMS1650-F-0-4	FMS1655-F-0-4	Immediately
6	FMS1650-F-0-N	FMS1655-F-0-1	Immediately
7	FMS1650-F-0-N-F	FMS1655-F-0-1	Immediately
8	FMS1650-F-1-0	FMS1655-F-1-0	Immediately
9	FMS1650-F-1-1	FMS1655-F-1-1	Immediately
10	FMS1650-F-1-2	FMS1655-F-1-2	Immediately
11	FMS1650-F-1-3	FMS1655-F-1-3	Immediately
12	FMS1650-F-R	FMS1655R-T	Immediately
13	FMS1650-LITE	FMS1655M-S01	Immediately
