

Product Discontinuation

Date: September 9, 2021

Announcing: Discontinuation of FMS1655R Remote Display

From: Specialty Products – Controls Product Management

Released to: Triatek Sale Representatives
 Authorized Building Control Specialists (ABCS)

Discontinuation of FMS1655R Remote Display.

Effective immediately, the FMS1655R Remote Display is discontinued. The FMS1655 controllers have been discontinued since December 2020 and the remote display is a sister product that only works with this controller. To reduce the number of SKUs offered, we have decided to discontinue this product.

Replacement product information

There is no replacement product at this time.

Discontinuation schedule

The following table lists the schedule for the FMS1655R discontinuation. Triatek will continue to honor the three-year warranty if applicable.

Table 1: Discontinuation schedule

1655 model	Replaced by	Discontinuation date
FMS1655R-T	N/A	Immediately
FMS1655R-S	N/A	Immediately

Sincerely,

Christine Andrews,
Product Manager, North America,
