

Product Discontinuation

Date: August 16, 2022

Announcing: Discontinuation of the FMS1655L and HMS1655L LON Controller families

From: Christine Andrews, Product Manager—Specialty Products—Controls Global Controls Products

Released to: Triatek Sales Representatives

Announcing the discontinuation and maintenance of the FMS1655L and HMS1655L LON Controller family

Due to the end of life of critical parts and decreased demand, we are discontinuing the FMS1655L and HMS1655L LON controllers. Triatek® continues to provide replacement parts for FMS1655L and HMS1655L LON products until the inventory is depleted.

Discontinued model numbers

The following table lists the discontinued LON controllers.

Table 1: Discontinued models for FMS1655L and HMS1655L
